## About Bharti Airtel

Bharti Airtel is a telecommunications company with operations spread across 20 countries, among them India, Sri Lanka, Bangladesh, and 17 countries in Africa. The company is engaged in three segments: consumer, corporate, and infrastructure. Consumers are served through wireless services, which provide cellular services, and home services, which provide Internet and home phone connection. It also provides digital TV services. Airtel Business provides data centers and services to corporate clients. Finally, Airtel sells access to its tower infrastructure. The vast majority of revenue comes from India operations.
