About BSE

BSE Ltd operates as a stock exchange and is one of the leading exchange groups in India. The company operates through one segment namely Stock Exchange Operations i.e. Facilitating Trading in Securities and other related ancillary Services. while generating majority of its revenues through the stock exchange activities. It primarily provides a trading platform for over 5000 companies that are listed on its exchange. The exchange offers various services such as trading in equity, debt instruments, derivatives and mutual funds. BSE also offers its customers other services such as risk management, market data services and educational programs.
