About NLC India

NLC India Ltd is an energy company. The company has two reportable segments namely the Lignite mining segment which is engaged in the mining of lignite and the Power generation segment which is engaged in the generation and sale of power utilities across the country. The power is generated from the Thermal Power Stations and renewable energy sources such as wind and solar. It generates maximum revenue from the Power generation segment. It also provides consultancy & management services relating to mining and power generation.
